The Virtual Mainframe Technical Exchange was a great success!
Take these essential steps to access on-demand sessions from the event.

Accessing the Event Portal
- All sessions can be found on the Event Portal and will be available on-demand until February 28, 2023.

Creating Your Agenda and Registering for Sessions
1. Search for sessions on the Home page or by Track.
2. View a full list of the sessions in this document.

Share Feedback
- Provide feedback on each session you attend by completing the Session Feedback Survey found on the session screen.
- Provide feedback on the overall event by completing the Event Survey.

Get Social
- Share your experience on LinkedIn and Twitter using the hashtag #BroadcomMTE.

Technical Help
- View the Event Help Guide if you have questions or need technical assistance.
- If the session you are viewing is not loading, try refreshing your browser, which often resolves the issue.
- If you have any questions or issues accessing the event portal, please contact us at mftech.exchange@broadcom.com.

Best Regards,
The Broadcom Mainframe Team
