People-Centric Planning: A New Way of Working

Live Webcast February 15 at 11:05 am ET

For companies to innovate and grow, they have to intelligently budget and manage human capital. Financial governance of investment portfolios thus needs to shift: Fund people, not work. With IT now fully integrated in the day-to-day operations of any department, it's time to unite the enterprise under one set of business metrics. Join Head of Clarity Product Management, Brian Nathanson, for an in-depth look at people-centric strategic portfolio management.
